# Notes

The page features a festive winter theme. At the top left, a large, light blue snowflake is visible. The background is decorated with soft, pastel-colored abstract shapes in shades of teal, pink, and light blue. Small, light pink dots are scattered across the page, particularly concentrated on the right side. The word "Notes" is centered at the top in a black, handwritten-style font. Below the title, there are 20 horizontal red lines spaced evenly down the page, providing a template for writing notes.
